Step 4. There are two options to reset your password:

1. By providing the answers to your security questions, OR
2. By receiving a text message or email

For resetting your password by answering the security questions, proceed to Step 5.
For resetting your password by a text message or email, proceed to Step 8.

Please select one of the following methods to verify your identity.

Secret Questions and Answers

SMS Text/Email

Cancel

Step 5. Enter in the answers to your security questions and click “Check Answers”.

Forgotten Password
Self Service Password Reset

Please answer the following questions. If you answer these questions correctly, you will then be able to reset your password or unlock your account.

What is the name of the high school you graduated from?

What is your mother's maiden name?

What is the name of the place your wedding reception was held?

What was the name of your first pet?

What was your childhood nickname?

Step 6. Click “Change Password”.

Unlock Account / Forgot Password
Self Service Password Reset

Your account has been locked due to excessive incorrect login attempts. You may continue by unlocking your account or by changing your password.

Unlock Password Unlock your account. If you remember your password, you can unlock your account by selecting this option. Your password will not be changed.

Change Password Enter a new password. If you have forgotten your password and would like to enter a new one, click here. Your account will also be unlocked when you enter a new password.

Cancel

Step 7. Enter in your new password that follows the password requirements, and click “Change Password”.

Note: Keep track of your new password. The NCID system will not allow you to change your password for a few hours after successfully changing your password. This will effectively lock you out of your account if you do not remember your password.

Change Password

Self Service Password Reset

Please change your password. Keep your new password secure. After you type your new password, click the Change Password button. Your new password must meet the following requirements:

- Password is case sensitive.
- Must be at least 8 characters long.
- Must not include part of your name or user name.
- Must not include a common word or commonly used sequence of characters.
- Can be changed no more often than once every 3 days.
- Must have at least 4 types of the following characters:
 - Uppercase (A-Z)
 - Lowercase (a-z)
 - Number (0-9)
 - Symbol (!, #, \$, etc.)
 - Other language characters not listed above
- New password may not have been used previously.

Please type your new password

Step 8. You will receive an email with the subject “NCID Password Notice” from ncid.notifications@nc.gov notifying you of the password change to your NCID account.

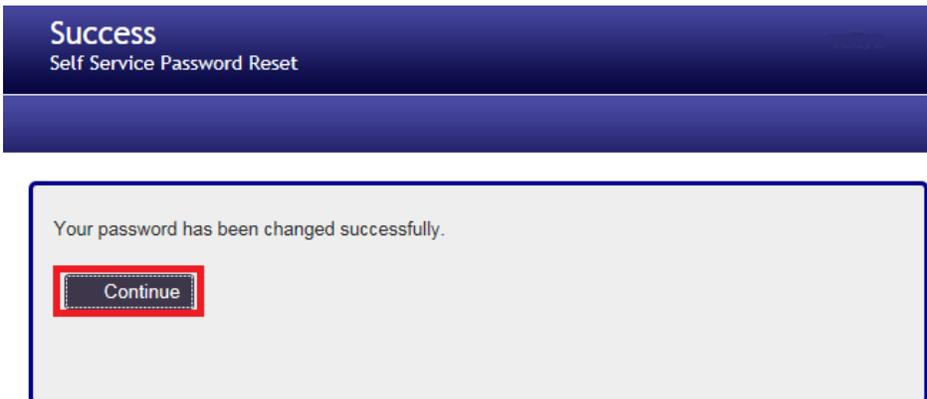

Note: This email may be directed to a junk folder or clutter inbox.

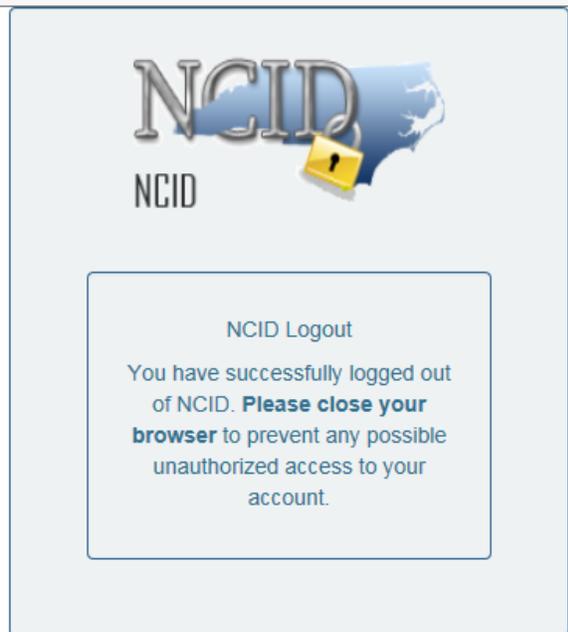

Step 9. A loading screen will appear as your password and account are being updated.

Step 10. After your account has been updated, a confirmation message that your password has been changed will appear. Click “Continue”.

Step 11. This will log you out of your NCID account. Please close your browser before proceeding to the next step.
